

# CLASSROOMS

 **WORK**  
CARAVANS

ENGINEERED TO COPE  
with the most challenging and remote work site

## CLASSROOMS

Work Caravans Australia's variety of portable Classrooms are designed and engineered to meet any teaching requirement you may have. Our portable Classrooms are able to seat up to 12 students comfortably whilst allowing ample space for teaching and whiteboard, computer or projector set-ups.

Our portable Classrooms are built to the highest quality and standards using heavy duty construction to cope with the most challenging and remote environments.

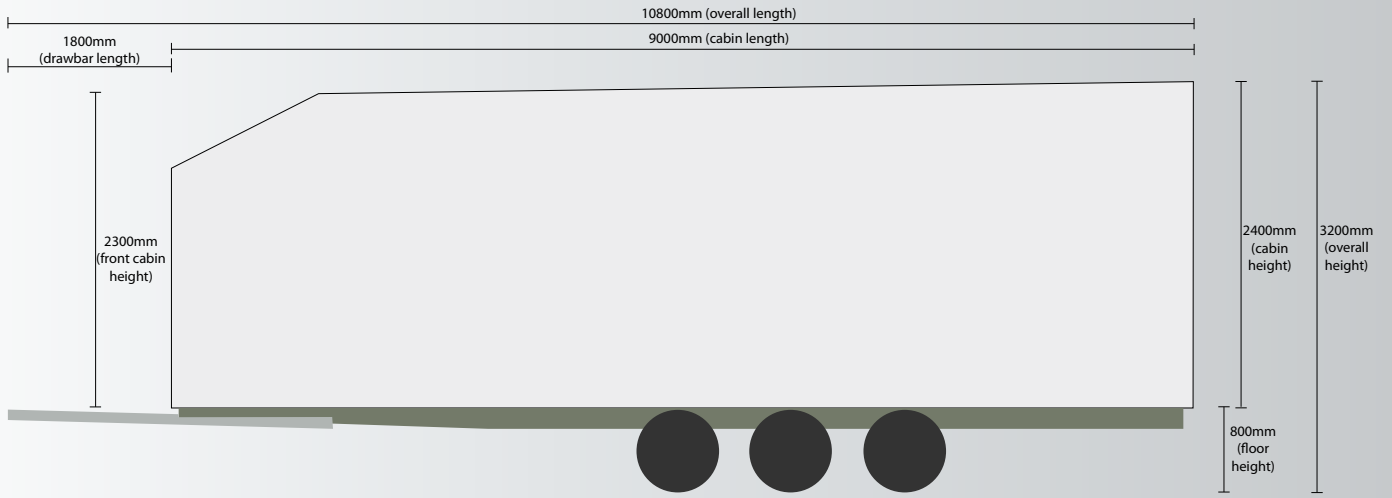

Work Caravans Australia's construction provides a cost-effective solution for your portable Classroom requirements. You can select from a wide range of sizes and designs to suit any budget.

Our portable Classrooms can be utilised in diverse situations:

- \* Remote Education
- \* Mobile Learning Centres
- \* School Reconstructions
- \* Emergency Schooling
- \* Work Site Training

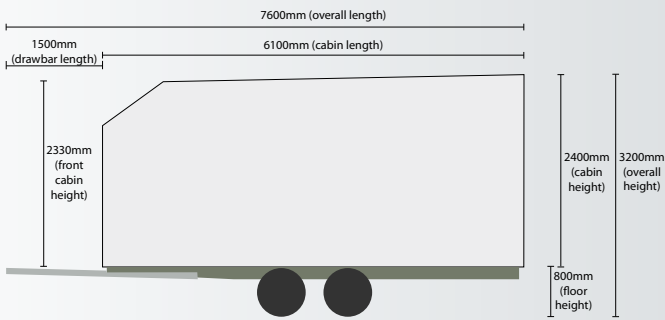

With Work Structures, you're sure to find the portable Classroom solution for your education needs.

Contact the Work Caravans sales team to assist you today.
